

Postgraduate Certificate in Antarctic Studies (PGCertAntaStud – 60 points)

These regulations must be read in conjunction with the General Regulations for the University.

1. Version

- (a) These Regulations came into force on 1 January 2018.
- (b) This Certificate was first offered in 2009.

2. Variations

In exceptional circumstances the Amo Matua, P tāiao | Executive Dean of Science or delegate may allow a personal programme of study which does not conform to these Regulations.

3. The structure of the qualification

To qualify for the Postgraduate Certificate in Antarctic Studies a student must:

- (a) pass courses having a total minimum value of 60 points; and
- (b) satisfactorily complete ANTA601, ANTA607 and either ANTA603 or ANTA608.

4. Admission to the qualification

A student for the Postgraduate Certificate in Antarctic Studies must have:

(a) either:

- i. qualified for the award of any appropriate degree in Aotearoa New Zealand; or
- ii. been approved as a student for the Postgraduate Certificate by the Amo Matua, P tāiao | Executive Dean of Science or delegate based on Limitations of Entry found in the General Regulations for the University and
- iii. been admitted with Academic Equivalent Standing, and

(b) satisfied the medical examination as prescribed by Antarctica New Zealand.

5. Subject to the provisions of the General Regulations, the University may accept students who have completed the Postgraduate Certificate in Antarctic Studies in another institution, provided that the student has been recommended for admission to the University by the appropriate authority of that institution.
