Students must pay for all tuition and fees.

Notes

1. There is no flat fee or fee cap at either undergraduate or postgraduate level. Students pay for exactly the courses they choose to take, whether that is less or more than 10 ECTS.
2. Fees are not charged by degree code, but by subject band. For example:
 - (a) If a student is enrolled in a Bachelor of Arts and chooses to take a Physics course outside of the BA Schedule, they will pay proportionally more for that course because Physics is in a higher band.
 - (b) If a student is enrolled in a Bachelor of Science and chooses to take a Pacific Studies course from the BA Schedule, they will pay proportionally less for that course because Pacific Studies is in a lower band.
