Notes:

i. The relevance and standard of undergraduate studies and any subsequent professional experience are the main criteria for approval.

ii. Candidates will only be approved if appropriate research supervision is available.

Notes:

(a) For new candidates from 2008 without an appropriate Bachelor of Engineering degree or equivalent experience/qualifications, ENTR 401 must normally be completed prior to undertaking other ENTR courses.

Notes:

1. *With the approval of the Head of Department, a full-time candidate may be employed in the University in academically relevant work for up to an average of 6 hours per week over the calendar year.*
2. *Candidates are expected to be enrolled either part-time or full-time on a continuous basis. If a candidate can not be enrolled continuously due to circumstances beyond their control they must apply to the Dean of Engineering and Forestry for a suspension.*

Notes:

i. The qualification of Postgraduate Diploma in Engineering was discontinued in 2006. Candidates who are currently enrolled may complete under the 2005 Regulations (see page 264, 2005 Calendar).

ii. Candidates currently enrolled in the Postgraduate Diploma in Engineering may substitute 600-level papers for 500-level papers to complete their diploma.
