Notes:

- A personal course of study might be considered unsuitable if, for example, it were too heavy for the student, or involved examination or lecture timetable clashes.
- 2 Refer also to Admission Regulations Section A General for further grounds on which enrolment by a student in a particular course or programme may be declined or cancelled.
- 3 Where a course is cancelled the programme coordinator for that course is responsible for contacting all students already enrolled and advising them of alternative courses

in the range 4.00-6 99. The calculation of GPA for the purposes of Honours may involve a selection of course material from the degree programme, and special weightings may apply. Master's degrees may be awarded with Distinction or Marit, as specified in individual award regulations. College Off ces (or in the case of Law the School Off ce) will be able to provide more information on how the calculations are made in the case of any specific degree or subject, and they will also be able to provide information on how/Second Class Honours is divided into Divisions One and Two, and how/Third Class Honours (if it exists) is determined.

- 3 Unless an exception has been approved, all f nal undergraduate grades for SToccurrences and other relevant courses offered within the f rst semester period shall be submitted to the Registrar by 5pm on the Wednesday preceding the f rst teaching week of the second semester (S2).

Notes

- 1 Students should ask the College or School Off ce whom to approach for a given request and/or check the College website.
- 2 A student whose application is declined may appeal that decision (see General Course and Examination Regulations Section O Appeals).

R. Courses from Other Degrees are Subject to the Regulations of
