Part 2

Enrolment in courses in Fine Arts shall be subject to the following conditions:

1.
 - (a) The total enrolment of students taking Studio courses for the Degree of Bachelor of Fine Arts shall not exceed 230.
 - (b) The total enrolment of students taking courses leading to the degrees of Bachelor of Fine Arts(Hons) and Master of Fine Arts shall be limited by such constraints on space and standing as the School of Fine Arts shall determine as existing in any one year.
Note: The Studio courses are FINT 103 and the courses listed in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts.
2.
 - (a) The total enrolment of students in FINT 103 shall normally not exceed 65, with no more than two international students.
 - (b) Should more than 65 persons apply for admission to FINT 103 applications will normally be accepted in order of academic merit.
 - (c) Normally not more than 50 places will be allocated in the first round of selection to applicants who have been examined in two NCEA Practical Art subjects. Applications for entry under this regulation must be made within four years of completing the NCEA Practical Art credits. In assessing academic merit the School will place the greatest weight on performance in NCEA Practical Art but applicants must also satisfy the School regarding their ability and potential for success in non-studio areas of study.
 - (d) Normally not more than 10 places will be allocated in the first round of selection to applicants who are not eligible for admission under Regulation 2(c) above or have failed to gain a place in a previous year but who can satisfy the School that they possess relevant skills and experience constituting a valid qualification for admission to FINT 103. For admission under this regulation applicants

will be required to submit a portfolio of works and show evidence of ability in non-studio academic work.

Notes:

1. Applicants must apply to enrol by the prescribed date, but in addition to this they must return a fully completed application form for admission to FINT 103 to be received by the Head of the School of Fine Arts no later than 15 November of the year preceding that for which admission is sought. Applicants must also include a selection of no less than 12 examples of work that supports each of the NCEA Practical Art subjects used in the application for entry into FINT 103.
2. This supplementary submission of work will be presented as colour laser copies printed at A4 format and stapled together. These must be available for viewing by the co-ordinator of Stage 1 Studies no later than 15 November of the year in which application is made.
3. Applications from persons wishing to repeat FINT 103 will be subject to the above limitation.
4. Suitably qualified candidates who consider that their personal circumstances are such that a decision on their admission should be made before selection for the School normally takes place may apply for a reserved place. Such application must be made in writing to the Head of the School of Fine Arts before 1 November of the year preceding that for which admission is sought.
5. Applicants who fail to return an application form to the Head of the School of Fine Arts before 15 November will be considered only after an initial selection has been made.
3. Enrolments in 200-level courses in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts shall normally be limited as follows:
 - Graphic Design (DESI 201): 9;
 - Film (FILM 201): 10;
 - Painting (PAIN 201): 11;
 - Photography (PHOT 201): 7;
 - Printmaking (PRIN 201): 8;

Admission Regulations

Sculpture (SCUL 201): 10.

4. Total enrolments in each area of study in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts shall normally be limited as follows (international student quotas are shown in brackets):

Graphic Design (DESI 201, 301, 401): 25 (2);

Film (FILM 201, 301, 401): 24 (2);

Painting (PAIN 201, 301, 401): 30 (2);

Photography (PHOT 201, 301, 401): 24 (2);

Printmaking (PRIN 201, 301, 401): 24 (2);

Sculpture (SCUL 201, 301, 401): 30 (2).

5. When applications exceed the places available for the courses listed in regulations 3 and 4, selection will normally be made on the basis of performance in appropriate prerequisite courses. This is provided that not more than two places in each of DESI 201 and FILM 201 will be allocated, on the first round of selection, to applicants who, though they have not been examined in FINT 103, possess the relevant skills and experience constituting a valid qualification for admission (see Bachelor of Fine Arts Regulation 4).

Notes:

1. A pass in FINT 103 is normally required for admission to Part 2 courses and a pass in 30 points at 100-level of Art History and Theory and 15 points at 200-level in Art History and Theory is normally required for admission to 300-level courses in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts. For Graphic Design (DESI 201) and Film (FILM 201) only, there is provision for students to be admitted on the basis of other approved qualifications. For details of the application procedure see Bachelor of Fine Arts Regulation 4.
2. Any person who is or was enrolled in a limited entry studio course who considers his or her performance severely impaired by illness or injury or other critical circumstance over an extended period and which caused him or her to discontinue or fail the course may apply for a reserved place in the said course for the next year following only. Such written applications must be received by the Head of the School of Fine Arts before 1 November of the year preceding that for which application is made.
3. While students may normally apply for entry only to those 200-level courses for which they received specific preparatory instruction in Term 3 and 4 of the FINT 103 programme, they may be offered places in other courses once the

first round of offers has been completed.

6. Additional weight may be given to applications for admission to limited studio courses from persons who have successfully completed such prerequisite courses as may be required, within three years of applying for admission.
7. Applications for admission to courses listed in regulations 3 and 4 above must be made on the correct form and be received by the Head of the School of Fine Arts not later than the 3rd Friday in October of the year preceding that for which application is made.

Note: Applications received after the 3rd Friday in October will be considered only after the initial selection has been completed.

Part 3

1. Enrolment in Performance courses shall normally be available only to students who enrol in such courses for credit to the relevant degree of Bachelor of Music or Bachelor of Music with Honours or Master of Music.

 - (a) The total enrolment of students taught by full-time performance staff in any one instrument shall normally not exceed 12.
 - (b) The total enrolment of students taught by part-time performance staff shall be limited by constraints on the provision of staffing as the School of Music shall determine in any one year.
 - (c) The total number of places available annually for initial admission in any one instrument shall normally not exceed four.
3. For initial admission to performance courses, students must satisfy a School of Music Audition.

- will perform three contrasting pieces and will be interviewed by performance teaching staff.
3. On the basis of the live audition, all applicants for each instrument and for voice who are of an acceptable standard shall be placed in rank order, and the number of applications accepted shall normally be the same as the number of places available.
 4. If an applicant accepted by the School of Music withdraws before the final date for enrolment or chooses to decline the place, the next applicant in the rank order who was not offered a place shall be offered a place.
