- A personal course of study might be considered unsuitable if, for example, it were too heavy for the student, or involved examination or lecture timetable clashes.
- Refer also to Admission Regulations Section A. General for further grounds on
 which enrolment by a student in a particular course or programme may be declined
 or cancelled.
- Where a course is cancelled the programme coordinator for that course is responsible for contacting all students already enrolled and advising them of alternative courses.

Note: Students are advised to preserve any item of the course work as defined under this regulation in case they wish to submit it for a reconsideration under Section G Course Work, Regulation 2 or a recounting under Regulation 9 below.

Notes:

- Because of the compressed time-span of Summer Programme courses this information will be provided not later than the third teaching day of the course.
- Although the Head of Department/School is obliged to provide this information, students are responsible for ensuring that they acquire and understand it.
