

Academic Awards Regulations

The University Council approved the unification of Faculties and Colleges with effect from 1 January 2017. The functions of the Faculties have been assigned to the appropriate Pro Vice-Chancellor of each College.

At the time of printing these Academic Awards regulations were still under review and therefore have been removed from the printed Calendar. Other University regulations may not have been updated to reflect this change.

Please refer to the online Calendar regulations at www.canterbury.ac.nz/regulations

Alternatively, clarification should be sought from the Deputy Vice-Chancellor Academic:
